

Allocation of the Psalms in the topics

From:
“Psalms to Revive
aesthetics, ethics, faith”

by Mario Mandras

edition Mastru

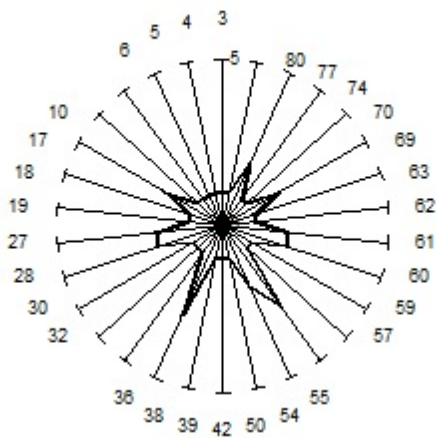

2. Allocation of the Psalms in the topics

In the following graphs the thematic ones are introduced with reference to the psalms that treat her.

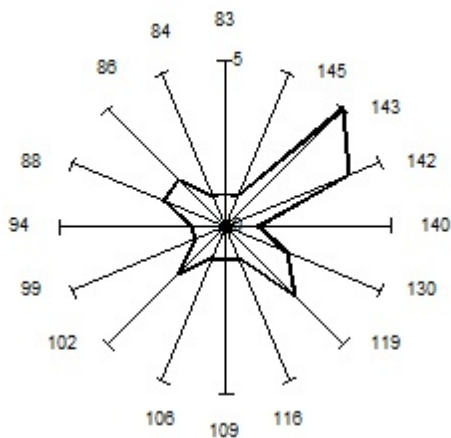

The psalms are suitable from the numbers around the graph, orderly in sense counterclockwise.

The frequency or intensity with which the thematic one is present in the psalm it is suitable from the line that it intersects the rays of the graph.
